

Revised timetable for the Musubi Japanese Culture, Language and Sports day:

9:00 to 9:30	Welcome and explanation of the day
9:30 to 10:30	Tour of facilities at the university
10:30 to 11:10	Workshop 1
11:10 – 12:00	Workshop 2
12:00 – 1:00	Japanese lunch workshop with YO! Sushi
1:00-1:30	Workshop 3
1:30-2:00	Workshops 4
2:00 to 2:15	Plenary hopefully including a short presentation by the Japanese businessman

There should be fifty students split into two groups of twelve and two groups of thirteen that rotate between the workshops as follows:

Workshop time slot	Group A	Group B	Group C	Group D
10:30 to 11:10	Modern Sport Zone C of the Sports Hall	Culture Beckwith Lecture Theatre	Language Sports Hall Seminar Room	Traditional Sport Zone A Sports Hall
11:10 – 12:00	Traditional Sport Zone A Sports Hall	Modern Sport Zone C of the Sports Hall	Culture Beckwith Lecture Theatre	Language Sports Hall Seminar Room
2:00 to 2:40	Language Beckwith Seminar Room	Traditional Sport Zone A Sports Hall	Drumming Zone B of Sports Hall	Culture Beckwith Lecture Theatre
2:45 to 3:25	Culture Beckwith Lecture Theatre	Language Beckwith Seminar Room	Traditional Sport Zone A Sports Hall	Drumming Zone B of Sports Hall

The culture and language workshops will need a lecture theatre each for the entire day,

The traditional sports workshop will hopefully be held in the sports hall with mats for the entire day,

The modern sport workshop will be held in a specialist facility from 2:00 onwards,

The drumming should replace the first half of modern sport workshops (from 12:30 to 2:00) and I think there will be room in the sports hall.

The YO! Sushi food workshop should be held in one of the lecture theatres and should only prepare cold food with the students. The students will be advised to bring their own packed lunches because they may not want to try the Japanese food (as delicious as it may be).
